

Welcome back everyone!

I hope your christmas holidays and bringing in the new year was a glorious occasion! We are so very pleased and excited to be getting back into rehearsals as we only have so much time before we have a show!

Please note the following addition for seussical - classes in st albert will be extended until 9:00pm.

Cinderella's casting will be going out this week - we are all very excited to see the little stars on stage!

We will be holding a **BOTTLE DRIVE** January 4-14, 2016. Please bring in your bottle during your class time and bring them to the instructor. We will be collecting for many new events happening in our Theatre Arts Department.

Thank you very much and NEW January 2016 newsletter will be distributed January 11, 2016.

Cheers -
Curtis Labelle
